

## **Little Lambs Extended Care Program**

(Extended care will be provided when there are sufficient numbers)

To accommodate working families, our Extended Care Program will be open from 8:00a.m. to 6:00 p.m. We refrain from using the term "Day Care" as we will not simply warehouse your child during the times that they are at our center, but rather we will provide an enrichment program that complements the preschool classroom setting. Children will be engaged in stimulating, nurturing and routine activities through the day at our center.

A limited number of spaces are available in Extended Care. If you wish to have your child at our center before and after preschool classes, the Extended Care rate is as follows. *(Note: The fees for the Extended Care Program are in addition to the Preschool Class tuition.)*

<b>Extended Care Needs</b>	<b>Rate</b>
<b>Hourly</b>	\$5.00 per hour

Please note that you will be charged on a per minute rate for any time over the Extended Care time period you signed up for. Late charges will be \$1.00 per every 1 minute block.

Your child's space in Extended Care will only be reserved for the days and times you list on the registration form. You will be billed at the beginning of each month for the total Extended Care costs.

Occasional drop-in stays may be added if space is available; please call as far in advance as possible so that adequate staffing can be arranged.
